Planned Giving

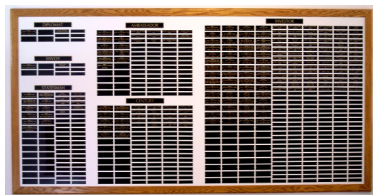

~a way to remember~

Czech Heritage, Inc, a non-profit 501-C-3 organization, was established in 2001, for the purpose of honoring the memory of the ethnic Czechs who braved the unknown in a new country to ensure a future for themselves and their descendents.

The museum, **Česka Radnice** or **Czech Town Hall**, recognizes these pioneers in the form of memorials, displays of ethnic memorabilia and preparation of ethnic foods.

~a way to preserve for the future~

Donations made to the museum are utilized for a variety of purposes, but one of the most important, is maintaining, updating and acquiring material for the displays. Also, of great importance is the promotion of ethnic Czech foods, made at the museum's working kitchen. Other ongoing projects are video archives of pioneer stories, collection of family histories and genealogies and the wedding photo project. Preservation of the Czech language through select classes is a future goal.
